Speed Restoration Add-On Plans

- To restore the speed to the normal when the speed is downgraded due to crossing of the usage as per the FUP under DSL/FTTH plans.
- Speed restoration add-on plans will expire after exhaustion of data usage as mentioned above or 'on monthly FUP reset date', whichever is earlier.
- To avail this facility, Customer has to choose appropriate Speed Restoration Add-On Plan when Pop-up Flashed after Customer crosses the higher speed data usage. Customer shall be charged the respective amount in next bill.
